Sunday shopping province's concern

Any decisions regarding the issue of Sunday shopping should be made by the provincial government, said Dysart et al Council in refusing to add its support to a petition during the February 8 meeting.

A coalition opposed to Sunday shopping is circulating a petition to municipalities asking that the public be allowed to vote on the matter in the next municipal election. Although Reeve Murray Fearrey agreed with the coalition's opposition to Sunday store openings, he felt support of the petition would be an endorsement of the province's plan to have municipalities decide the issue.

The consensus of

council was that this matter should be settled by the provincial government, rather than turned over to municipalities.

Fearrey feels that voters in his municipality would vote against Sunday store openings. However, if neighbouring municipalities were to vote in favour of opening on Sundays, the pressure from this outside competition could force Haliburton to join ranks.

Fearrey also questioned the benefits to business owners of opening on Sundays. "Where does the extra business come from?" he asked. If all stores were to open on Sunday, there would be no competitive advantage to any.

Students from Mrs. Davis' class at Archie Stouffer Elementary School had the opportunity to see a municipal council at work last Thursday. The students attended the regular council meeting in the Anson, Hindon and Minden council chambers and later received lapel pins as a token of their visit.

Six HHSS students to compete

Six members of the HHSS cross-country ski team will be competing in the Ontario championships on February 22 and 23 after qualifying in the Central Ontario meet hosted by the school last

Wednesday.

The Senior girls' team of Lesley Tashlin, Laura Cross, Lindsey Tashlin and Kathleen Clarke put in a strong showing to qualify for the Ontario championships, which are also being held in Haliburton.

Senior boys, Matt Creelman and Paul Robinson will round out the HHSS team after posting impressive individual performances Wednesday.

HHSS Coach John Fitzgerald said his entire team competed well during Wednesday's COSSA qualifying meet, which was held on the trails opposite PineStone Inn.

The Senior Girls' Relay team of Lindsey and Lesley Tashlin and Laura Cross earned a third-place finish in Wednesday's meet. Laurie Smith took second place in the Midget girls' race.

Two junior boys, Erich Nash and Chris Holliday-Rhodes put in an excellent showing in this, their first race. Nash finished 28th out of a field of 41 while Holliday-Rhodes finished close behind in 33rd spot.

With 32 racers competing in the Junior Girls event, Fitzgerald was very

pleased with the results earned by his team. Karen Elstone finished in 17th position to lead the HHSS team. Not far behind were Sarah Stouffer, Lisa Robinson and Karen Chatterton. This was the

first time any of these girls have competed in a race.

Individual performances by the HHSS Senior Girls had Lindsey Tashlin finishing 12th, Lesley

Sledding accident claims two lives

An area man and his companion died last week when their snowmobile went through a section of open water on Gull Lake.

Patrick Bruce Johnson, of R. R. 1, Haliburton, and Melissa Lynn Wheeler, of Pembroke Pines, Florida, are the first snowmobiling fatalities in Haliburton County this winter. They were travelling from Minden to a resort on the south end of Gull Lake last Monday evening and came across a section of open water on the south end of the lake.

Minden OPP reports that Johnson, 22, and Wheeler, 25, were last seen in Minden at about 7:30 p.m. on February 8. They did not arrive at their planned destination and were not heard from again.

Police were contacted Tuesday morning and immediately began a search. A police snowmobile patrol checked the route the two would likely have taken to the resort and found no signs. The patrol then started checking the lake and found a single track leading into open water near Moore Falls.

An OPP helicopter was used to check the area, and two bodies were located in the water. Three OPP divers recovered the bodies with the assistance of the helicopter.

OPP Constable Al Barnes was the investigating officer.

Cross-country ski racers from central Ontario high schools were in Haliburton County last Wednesday to compete in the qualifying races for the Ontario championships. Six HHSS students were among those to qualify for the February 22 and 23 races also being staged here.

Celebration '88 awards 'Doers' are rewarded

The hard work and dedication of six Lutterworth Township residents was recognized with the awarding of Celebration '88 medals during a ceremony last Monday at the Pine Ridge Resort. Receiving the medals from Victoria - Haliburton MP Bill Scott were Paul Prentice, sponsor; Ed Pettinger, volunteer; Al Stott, official; Lisa Valentine, female athlete; and Bob Beeney, male athlete. Steve Berry was also awarded a sponsorship medal but could not attend the ceremony.

"The workers, the doers and the leaders" of Lutterworth Township were rewarded and praised for their contributions to the community during a special Celebration '88 awards night at the Pine Ridge Resort last Monday.

A surprising amount of volunteer work for the development of the community and surrounding area is generated each year by a few volunteers. These people were the recipients of medalions and certificates under the Federal Government's Celebration '88 awards program.

This was the ninth such ceremony attended by Victoria - Haliburton MP Bill Scott in recent weeks.

In his remarks, Scott praised the award recipients for their contributions. He was also talking proud of the Olympic spirit being demonstrated across the country as the winter Olympics in Calgary approached.

"We will never in our lifetime again have an occasion of Olympic Games in Canada," said Scott. "This is our chance, not just to show Canadians, but to show the world, we've come of age. We have to be proud of our country."

The awards, which are being given to outstanding residents of every municipality in the country as a means of recognizing the

"Olympic spirit" that is demonstrated by individuals through their every-day lives. These awards come in the form of certificates or beautiful medals. In Lutterworth there were six medal recipients and 17 recipients of certificates.

Paul Prentice

Paul Prentice received the medal for the outstanding male athlete in Lutterworth Township. He has been the recipient of countless international trophies for snowmobile racing, has been a great ambassador for the county, and has made numerous community-oriented contributions

(more on page 19)

Jean Lacey accepted a Celebration '88 awards certificate on behalf of her late husband, Cliff, from Victoria Haliburton MP Bill Scott during the ceremonies at Pine Ridge Resort. The posthumous award recognizes Cliff's long-time contribution to the betterment of the community. He was highly respected throughout the area, was a Charter member of the Minden Lions Club and served as president for one year.

Bill Valentine, Bill Prentice, Muriel Proctor, Gladys Wruth, Warren Payne and Lionel Walker were recognized for their contributions to the community with certificates.

Receiving certificates for their community contributions in the spirit of the Olympics were John Hulbig, Maurice Boyd, Anne Baker, and Bob and Peggy Harrington.

James McMahon, Lee Oster, Marg Miller, Arthur Nye and Major Glynne Lewis received Celebration '88 certificates last Monday for Lutterworth Township.

Warning signs needed

Last week's tragic snowmobile accident on Gull Lake has Anson, Hindon and Minden Townships Council wondering if signs should be posted around areas of open water as a warning to snowmobilers.

Two people were killed last week when their snowmobile plunged through an open section on Gull Lake while sledding at night. With this in mind, Reeve Sinc Nesbitt suggested that something should be done to prevent

this sort of tragedy from recurring.

Snowmobiling in Haliburton County is a rapidly growing sport, and the benefits to the area can not be overlooked. Something has to be done to improve

the safety before people become discouraged.

By posting signs on the lake, the municipality could be accepting responsibility for accidents. However, Nesbitt says someone has to take that risk to help avoid future problems. Councillor Royce Miller added that posting the open water areas is no different than providing buoys to mark swimming areas.

Areas of open water during the winter are especially dangerous when snowmobiling because they are hard to detect. "It can be very deceiving when you're sitting on a machine to tell how close you are to open water," Nesbitt said. The low angle of vision from the seat of a snowmobile can make distances deceiving.

Council will be arranging to meet with members of the Haliburton County Snowmobile Association in an attempt to find a solution to this problem.

Anson, Hindon and Minden municipal council has suggested that warning signs, like this one, be posted in areas where snowmobilers may encounter thin ice or open water. A recent tragedy which claimed the lives of two snowmobilers prompted the suggestion from the council.

Speeding for Yamafest approved

Snowmobile racers will be speeding around the track on Walling's Field and on Head Lake without police interference during the Yamafest this weekend.

Dysart et al Townships Council passed a bylaw February 8 which permits snowmobiles to exceed the

80 km per hour speed limit on Head Lake for the races.

Apparently, police were required to enforce the speed limit on the lake in the past because there was no bylaw from the municipality. This resulted in the cancellation of the races.

The Yamafest begins this Friday and continues until Sunday. Ontario Snowmobile Racing Federation races begin Saturday morning on Walling's Field, adjacent to the lake. There will be more races throughout the day on Sunday.

Ride raises \$11,000

The Minden Rotary Club's Snowarama for Easter Seals has raised close to \$11,000 for the provincial charity. The annual ride for Timmy was held Saturday.

According to a club spokesman, the ride attracted 84 riders who had gathered pledge, based on completing the 100 kilometre course.

Dell Taylor of Beaverton was the leading pledge collector this year. He completed the circuit with close to \$1600 in pledges.

Members of the Minden Rotary Club assisted in the operation of the ride, providing checkpoints, road crossing safety and a hot meal at the end of the course.

The participants also will home with a full tank of gasoline, complements of Shell Canada, Sid Samp Fuels and three area Shell dealers. Minden Shell, Moore Lake Marine and Posters General Store.

Correction

A headline in last week's paper provided an incorrect date for the Yamafest event which is being held in Haliburton Village.

The date of this event is February 19, 20 and 21. The Times apologizes for the error.

Haliburton man given 18 months for break-in

Patrick Pealow, 18, of Haliburton Village, was sentenced to 18 months in

jail after pleading guilty to charges of theft under \$1,000, possession of

stolen property and possession of a weapon dangerous to the public

peace in Provincial Court in Lindsay on February 3.

The charges stemmed from a January 30 break-in at Mike's Milk in Haliburton Village when a quantity of cigarettes and lottery tickets were taken.

A charge of possession of a concealed weapon was withdrawn. Police report that although Pealow had a concealed weapon prior to the arrest, it was not on his person.

Dysart hires clerk

Donna McCallum, the former clerk of Arthur Township, will soon become the Clerk Treasurer for the municipality of Dysart et al.

At its February 8 meeting, Dysart et al Council passed a bylaw to appoint McCallum to the position being vacated by retiring clerk Wayne Wood.

Wood, the long-time clerk-treasurer for the municipality announced late last year that he would be retiring.

Indecision

The Ontario government will be playing a dirty trick on municipalities if it goes through with its plan to drop the Sunday shopping issue in their laps.

The question of whether or not stores should be allowed to open on Sundays is one that must be addressed on a province-wide basis since the outcome of any decision by one municipality will also affect businesses outside the municipal boundaries.

At last Monday's meeting, Dysart et al Council rightly refused to sign a petition requesting that this matter be settled through a referendum in this year's municipal elections. While the intent of this petition, to thwart the move to expand the shopping week, is admirable, a referendum in the municipal elections would clearly shift this provincial responsibility onto the municipalities.

The perceived benefit of having the individual municipalities decide is that a bylaw can be drafted to suit the wishes of residents in that community. However, if a municipality chooses to keep its stores closed on Sundays while a neighbouring community takes the opposite route, this benefit will ultimately be defeated.

For example, if stores were to be open in Minden on Sundays, businesses in Haliburton Village would be at a competitive loss and soon demand that they too be allowed to open. A domino effect would spill over in communities across the province until all but a few were keeping a seven-day shopping week.

Instead of quarrelling over which level of government should make the choice, the province should take the bull by the horns and decide whether or not it wants to open up Sunday shopping.

This government has made some difficult decisions in the past, therefore it is difficult to understand its sheepishness on this issue.

letters

Editor:

How about something cute for a change?

Everyone by now is aware of the Freedom of Information Act. You know, if you want to find out how much the P.M. spent last year you can gain that information through the Act.

I wanted certain information and it required the use of the Act.

At first I was more than pleased to find out that our library had the freedom of information directories. Then shock set in. It would take a three-year law student just to understand the indexing of the directories. At any rate, about an hour and a half later, I managed to garner the information I wanted.

Now the cute part - there are different information offices to contact to get the exact information required.

They are there and duly listed. Now, being Northerners, and long distance call costs being what they are, plus Government Bureaucracies being what they are, I phoned and asked for an 800 Number I could use to contact the office I wanted: guess what?

There is one, but for internal use only.

That's what I call cute.

Be patient with 'hiccoughs'

by Arthur Black

"A cough is something you yourself can't help but everyone else does just to torment you."

Ogden Nash was right, you know. Whenever your obedient correspondent (which is to say, Yours Truly) gets a cough, I expect my entire corner of the universe to go on 24-hour medical alert. I want every hospital emergency ward within a 100-mile radius to be notified. I require my local druggist to place himself on round-the-clock standby, ready to use his personal vehicle if necessary to ensure that I have an adequate supply of expectorants, suppressants, antihistamines and nasal sprays. I demand that close friends and even casual acquaintances be available to discuss, drip by drip and honk by honk, my latest symptoms and my ongoing state of agony.

When I, on the other hand, am hale and hearty and

someone close by has the bad grace to bark or sneeze or snuffle ...

I want to kill them.

Last night, at 3:05 a.m., my Sainted Companion and Peerless Partner through the Perils and Pitfalls on The Pathway of Life ... coughed that most idiotic of all coughs - the hiccough ('Hiccup' to us unlettered louts).

And I? Why, I was a veritable Mother Theresa of solicitude and compassion. Right up until the clock's big hand got to 15 and I realized that she was hiccupping louder and more persistently than before.

After considering ear muffs, heavy sedation, a medley of Kate Smith arias at maximum volume and (fleeingly I swear) asphyxiation by pillow - I gave up, went downstairs and crashed on the sofa. Next morning I showed her my passport photo. Her case of hiccups fairly flew out the window.

Hiccups. Is there a stupider affliction that can wrack

the human frame? Such a simple malfunction. "A sudden spasm of the diaphragm" my Medical Dictionary calls it.

And yet so damnably unpredictable. "Most hiccups go away within an hour" says the Dictionary. "The hiccup is not serious in itself, but see the doctor if it goes on for more than three hours."

Yes, well you would have a tough time selling those blandishments to Charlie Osborne. Mister Osborne is a resident of Aitken, Minnesota, where nothing much of consequence ever seems to happen. But one tiny thing did happen once, back when Charlie was just a young farm-hand. He remembers it well.

It was a warm October afternoon and Charlie was slaughtering hogs down by the smokehouse. He had one carcass secured by a chain and was trying to haul it over a tree limb, but it was just too heavy for him. Holding the

letters letters letters

Coverage also 'disgraceful'

Editor:

Lochlin, Ont.

I will agree that the state of the Bobcaygeon Rd. (between Feed Store & Library) is a disgrace. At least this past fall they showed signs of improving this section of roadway. The coverage by The Times of local events such as the Winter Carnival and Minor Hockey has also been a disgrace but do you see any signs of improvements?

Mike Carpenter,

P.S.: Congratulations to Kinsmen members and others on another excellent carnival.

Editor's note:

Thank you for your kind words, Mr. Carpenter. Since you closed your letter with a question I will reply.

Our coverage of the winter carnival began well in advance of the actual event. It was noted in an

editorial on January 18. A front page story on January 25 provided further advance notice of the carnival. On February 1, the morning after the carnival, The Times devoted two full pages to the event. In addition a short editorial praising the Kinsmen and Kinettes was printed on page four of that paper.

Disgraceful?

And yes there are signs of improvement in coverage of minor hockey thanks to the co-operation

of the coach of the Bantams. He is providing us with the game sheets from which we can write a story.

As we have indicated in the past, it is impossible for the staff of this newspaper to cover every hockey game played in Minden. Therefore, we need the co-operation of coaches or parents to provide us with the information to write a story.

Russ Duhaime,
Editor.Hunger is
contest between
rich and poor

by Ed Moll

"Shattering The Myths
Of World Hunger -
Part II"

Today's column concludes a two-part series to raise awareness of the issues related to world hunger. It is based on a summary of an article "World Hunger: Ten Myths" by Joe Collins and Frances Moore Cappe.

* * *

Myth Six: A developing country needs to grow export crops for which it has a "natural advantage". Earnings can then be used to import food and industrial goods.

Wrong. There is nothing "natural" about a country concentrating on coffee or sugar cane. Colonial powers chose these crops to bring profits to their home markets. They could be replaced by nutritious crops such as corn, beans, fruit, and potatoes.

Besides, when a country rests its economy on coffee or sugar cane alone it puts all its eggs in one basket. When the price of eggs goes through the floor, the farmer is the first to suffer.

We may buy coffee or sugar at a lower price, but the exporting country will be caught short on the interest payments for its debt.

To say that a country has a "Natural Advantage" for export crops ignores a basic reality: the men, women and children who picked the coffee beans and cut the sugar cane are at an unnatural disadvantage - they don't benefit from the money their country earns exporting coffee and sugar. These are the people who need to grow their own food.

How can a country form

a policy to grow food for itself? By using its land to grow nutritious crops first to feed its own people. Only after these needs are met should they use the remaining land for export crops. This kind of policy puts people's welfare ahead of export income.

Myth Seven: Hunger is a contest between the rich world and the poor world.

There are no such things as separate rich and poor countries. We find hunger in both Canada and Ethiopia because hunger is a result of a social process.

Multinational companies don't help this situation. Their policy of "interdependence" creates a single world agricultural system that will control all stages of food production from the farm to the consumer. By manipulating supply and prices, they usurp control of food production by a few for a few.

Myth Eight: Because of their oppression, hunger and dependence, peasants are unable to do anything for themselves.

Wrong again. Did you know that in your lifetime, 4 out of 10 people in the developing world have freed themselves from hunger?

News reporting is selective. And because of the way news services present their stories, we in the Western world fall into two traps:

1. We identify more with the governments of the developing countries than with the people they are alleged to represent; and

2. We are unaware of people's attempts and successes to gain control of their own food production.

(more on page 6)

A visit to the Minden area just isn't complete without taking a ride in a dog sled. A group of visitors from Switzerland were staying at the Locarno Resort last week and were treated to a ride with Val Lougheed and her dog team.

93 and still hiccupping strong

(from page 4)

hog off the ground as best he could, he turned to shout over his shoulder to his wife to come and give him a hand. He opened his mouth to yell "Hilda!"...

But instead he hiccupped.

Then he hiccupped again.

And again.

And he's been hiccupping ever since.

An Illinois doctor told him that the strain of lifting the hog carcass probably ruptured a blood vessel going to his brain. Charlie reckons that sounds about as good as any other explanation.

What he does know for sure is that since it happened

he's spent more than \$40,000 on doctors, evangelists and quack remedies and nothing stops his hiccups. Sometimes they drop off to only one every five or six seconds, other times they climb to a high of 40 per minute. But they never stop. Night and day. When he's eating or sleeping or talking or taking a shower, Charlie Osborne has a constant, hated companion.

"I'm used to them now," says Charlie between hiccups "but I get awful sore. Someday it's gonna kill me I suppose."

Well perhaps, but not without a fight. If Charlie's going out, he wants to go with a bang, not a ... hiccup.

Which is why Charlie made his offer last week: ten

thousand U.S. greenbacks to anybody who can cure his hiccups.

And please - don't waste Charlie's time with the obvious old chestnuts like blowing into a paper bag or having someone jump out and scare him. Charlie's tried every hiccup cure your mother ever taught you and several hundred more.

But hey - if you think you have something that'll work, drop him a line. Charlie Osborne, Aitken, Minnesota.

Oh yes, and you better do it fast.

Charlie Osborne is 93 years old.

He's been hiccupping non-stop for the past 65 years.

Council confirms property sale

A small piece of municipal property on South Water Street will be sold to John Stainton once a price has been established. Anson, Hindon and Minden Townships council agreed last

Thursday.

Stainton needs the property to increase his frontage and enable him to build the hotel complex he has planned. He approached council Thursday asking for some assurance that the property would be sold, so he can begin securing investments.

While council agreed by consensus that the property would be sold, Reeve Sinc Nesbitt insisted that the property should be appraised by a local realtor before any price is agreed on.

Chief Building Official Peter Oomen described the

property as a very small piece on South Water Street. He said it is large enough to accommodate a

very small building. Stainton plans to use the property for part of a driveway into the hotel, as

well as to increase his frontage to the 200 feet required for a building permit.

Lights reserve gets \$6,000

Plans to expand the street lighting in the Village of Minden are looking a little brighter now that townships council has an extra \$6,000 in the reserve for this work.

Council had budgeted \$6,000 for a lighting project in Carnarvon which is now completed.

However, they learned at Thursday's meeting that Ontario Hydro would not be charging for the installation of the lights in that area.

Reeve Sinc Nesbitt suggested that the money be transferred over to the reserve for Minden's lighting plans.

Hunger myths

(from page 5)

Myth Nine: Hunger should be overcome by distributing food.

We in Canada and the U.S. have been told that our excessive consumption is the cause of hunger around the world. We rightly respond:

"How will eating less help the hungry?" It is a false dilemma.

Food distribution depends on control: who ever controls the land says who farms it, what is grown, what is shipped, and who eats it. A food redistribution program will not solve the problem of hunger. The real question is more difficult, "How can people regain their rightful control of food production?"

Myth Ten: Increase foreign aid.

Foreign aid, for the most part, plays a small role in the West's dealings with a developing country. Cars, trucks, stereos, guns, candy bars and cigarettes matter more in our trade with the Third World than supporting farm cooper-

atives.

We have to change our attitudes. Instead of coming in and forcing our solutions on their problems, we should work to remove what hinders people from taking control of their food production. How can this be done?

First, redirect the aid. Refuse aid that reinforces the use of land for export crops, or establishes a new privileged class of entrepreneurs. Refuse aid that supports the penetration of multinationals into the local food markets. Instead, redirect the aid, with no strings attached, to those countries who are encouraging people to regain control of their land for farming.

Second, in our own country we should be a democratically controlled, self-reliant economy. We can prohibit non-farming companies from owning farmland; we can encourage the development of family farms and cooperatives. We would then be less dependent on importing food from countries where many go hungry.

Appeals \$8,000 penalty

Stanhope Township will be appealing a penalty of close to \$8,000 imposed by the Workers Compensation Board.

At last Wednesday's council meeting, Clerk Gerald Bain advised council of the \$7,973 penalty being charged by the board because it considers the township to

have a high rating of costs. However, Bain said he examined the guidelines that apply for dealing out penalties and does not feel this one is justified.

The board penalizes employers that exceed certain criteria for two out of three consecutive years. These criteria compare compensation payments

with premiums and industry averages, and when the payments are too high, a penalty is imposed.

Bain said the board is not using the most recent three-year period in applying the penalty to the township. By consensus, council instructed Bain to lodge an appeal.

RODEO EVENTS

Beach Ball Relay

A two person snowmobile team must complete two circuits of a linear obstacle course while maintaining possession of a beach ball. A provided broom will be the means of propelling the ball. Participants must use the snowmobile provided.

Coke Classic® Relay

A two person snowmobile team must each complete two circuits of a linear obstacle course, in relay fashion. The relay consists of each member consuming a cup of Coke Classic prior to starting the circuit. Participants must use snowmobile provided.

Scavenger Hunt

Snowmobile teams will be provided with a scavenger list and a route map in an attempt to collect as many of the items in a time closest to a pre-determined course run.

Declining Obstacles

Participants must complete a serpentine course of obstacles in such a manner that they do not stray from the limits of either the course or the spacing of the obstacles. Performance will be calculated in terms of both time and distance. Participants must use the snowmobile provided.

Ice-Slide Slalom

Participants must complete a varied circuit of obstacles as laid out on a sheet of ice. Participants must use the snowmobile provided.

Safari Poker Run

Guided safaris to Haliburton Forest and Wildlife Reserve will stop at checkpoints so that participants may collect circuit cards. Participants will be dealt a five card poker hand upon turning in the collected circuit cards, at the final checkpoint station.

Blindfold Obstacle

A blindfolded driver must negotiate a linear course of obstacles as described by a passenger. Participants must use the snowmobiles provided so that no advantage with competing teams is obtained.

Teeter-Totter

Participants must drive their snowmobile on to the teeter-totter in an attempt to balance it. The participants balance time is measured from when the ramp lifts off the ground until it returns. A maximum limit of ten minutes is enforced.

Molson's® Flying Hot-dog

A suspended hot-dog, attached by means of a string, must be bitten into by a passenger of a two-person snowmobile team. The snowmobile must be in motion during the attempt and the quality of the attempt will be measured by the length of the bite.

TICKET PRICES

- Adult \$20.00
- Senior/Student \$10.00
- Family \$45.00

Your admission includes all trail permits (Haliburton County Snowmobile Association, Haliburton Forest and Wildlife Reserve) event admissions* and a chance to win a pair of Yamaha Snoscoots. All event proceeds in support of the Easter Seals Society and the Haliburton Hospital Expansion Fund.

Tickets are available at Shamrock Service Centre, Backwoods Marine and local stores in Haliburton.

* Reduced admission to Blue Rodeo Dance.

Mini-Poker Rally

Participants must complete the marked course, collecting checkpoint cards enroute. The participant will be dealt a five card poker hand upon turning in the collected checkpoint cards, at the final checkpoint station.

Inner-tube Obstacle

The participant must push a truck inner tube through a linear course of obstacles, using the skis of the snowmobile provided. Participants will not be allowed to "hook" the tube with the skis.

Mini-Snocross

Participants will engage a miniature sno-cross event track in an effort to achieve a best-time performance. Participants must provide their own snowmobile for this event.

Radar-run

Participants will be radar clocked through a quarter mile track. Own snowmobiles only.

Hartwick regains footing with narrow win over Hall's

Hartwick Construction was back on solid footing after their embarrassing defeat a week earlier as the Minden Men's Recreational league playoffs opened on Monday.

Hartwick skated to a

strong 8-6 win, upsetting Hall's Insurance in the opening game of the night. This was the first of a five-game round-robin playoff, after which the top two teams will battle it out for the championship.

The Hartwick win was the only upset of the night. The Rockcliffe edged Home Hardware 9-7 in the second game while The Times opened with a 9-0 win over Vasey Real Estate in the 10 p.m. game.

Hartwick 6 - Hall's 6

Back at full strength, Hartwick displayed the form that made them the highest scoring team in scheduled play as they edged Hall's.

Brian Shaw and Dave Hartwick were the top goal scorers for Hartwick in this game. Shaw potted four goals while Hartwick

notched three. Larry Sawyer scored once in this hard-fought win.

Tom Haley put in a strong showing for Hall's with four goals of his own while Rod Finlay and Barry Boice added singles.

Rockcliffe 9 - Home 7

Three late goals in the final frame boosted the Rockcliffe to victory as

they outshot Home in the second game of the night.

Lawrence Loughed was the top goal scorer in this Rockcliffe win, earning a hat-trick. Barry Shaw scored twice while Harold Cowen, John Fedeski, Barry Walker and Brian Marquardt each scored one.

Home's top goal scorers were Peter Walker, Doug Schell and Scott Hamilton with two each. Gary Nelson scored the seventh goal in this narrow loss.

Times 9 - Vasey 0

For the second week in a row, The Times has pulled off an impressive win, this time blanking Vasey 9-0.

One of the rarer events in men's league hockey is a shut out and Rob Crowe takes credit for this one.

Andy Campbell notched his first hat trick of the year in this game, while Sid Mackeigan and Tim Vezina scored twice each. Fraser Rogers scored one goal as did Roger Schandlen.

It was rough going at times, but Frank Franzen's rink managed to win the 'B' draw in the Minden Winter Carnival Bonspiel. Franzen's team included his wife Pauline, his brother Peter and Gwen Cox. This is the team's best showing after competing in the mixed 'spiel for a number of years.

Novices keep hold on second place

The Minden Novice A's are still holding onto second place in the playoff standings despite a disappointing 6-3 loss to Fenelon Falls last Thursday in Minden.

Rookie goaltender Curtis Fielding put in a fine performance between the posts for Minden. This was just the fourth time this season for him to man the net. Regular goaltender Justin Rowden was playing out for this game.

Minden's Marty Dettman scored the opening goal of the game with an assist from Dennis Woods. A few minutes later,

Woods put the team up 2-0 with an assist from Jeff Wray.

However, the second period was all Fenelon Falls as they rallied back with six goals to take a commanding lead.

Minden was back in form in the final period, but had trouble putting the puck past Fenelon's goalie. Late in the period Dave Raback bounced one off the mesh, but that would be the final goal of the game.

Only three minor penalties were doled out in this game by the officials.

These two teams were to have played again last Saturday, but the game could not change Minden's second-place standing. However, tonight the novices take on Ops in a game that will decide which of the two will go on to the final two-team playoff.

Correction

We reported last week that the Minden Men's Recreational hockey league had begun their playoffs. Those games were actually make-up games for ice time lost earlier in the season.

The results of these games also change the final season's standings. The Times high-scoring win was enough to boost them back into top spot ahead of Halls.

'Stranger' a confusing term

Editor:

"Don't talk to strangers" is a common warning given to children by parents concerned for the personal safety of their children. Although well intended, the warning ignores everything known about those who commit sexual crimes against children and, if anything, leaves the child more vulnerable to exploitation.

The term "stranger" is confusing to a child and misleads the child into

believing that he or she should only be cautious of people who have an unusual or slovenly appearance. The truth, of course, is that it is impossible to know a child molester by appearance. They come from all walks of life, many of them even in positions of trust with children.

Research has also shown that over 80% of all crimes against children are committed by someone known to the child, not by someone the child would con-

sider to be a stranger. Creating undue fear in the child's mind of "strangers" then leaves the child open to assault by someone the child knows and trusts.

When speaking to children about personal safety it is more appropriate to teach them how to respond to certain situations rather than giving them a

particular profile or image of a "stranger". Research has also shown that those who prey upon innocent children use only a limited number of lures to attract their prey. Children can easily be taught these "lures" and how to respond should they be approached.

Crimes against innocent

children will not be prevented by the use of games, gadgets, gimmicks, fingerprint kits or fear generating literature that is becoming too common on the market today. They can be prevented through common sense educational programs in school and in home. For free information on the prevention of

crimes against children or on how to establish a preventive program in your community please write to Victims of Violence Canadian Centre for Missing Children, Provincial Court House, Edmonton, Alberta T5J 0R2.

Shari Ure
Director, Education

'Tragic day'

Editor:

Despite 2,000 community members lighting the darkness with their candles on Tuesday evening as they rallied at the Peterborough Civic Hospital, the Board meeting inside voted 12-4 for the establishment of the first so-called Women's Health Care facility in the province.

Everyone knows that the reality is that these facilities soon to be erected in our midst are nothing but abortion clinics. The schizophrenic rationale of the present government will be paying millions of dollars to kill our Canadian babies in the most gruesome way in clinics adjacent to hospitals where efforts are directed to saving babies declared human only on the basis of their "wantedness".

It is a dangerous and tragic day for Ontario when eight people, deceived by the madness of our age can facilitate death sentences upon the most defenceless members of our society.

The Family Coalition Party urges everyone who

is unhappy with this situation to write today to the Honourable Bill Scott, Federal M.P., Ottawa, Canada, and Prime Minister Brian Mulroney at the same address, strongly requesting, even politely demanding that legislation be enacted immediately to protect our unborn Canadians from the moment of conception. Our society must become responsible and understand that the time for choice is before a woman indulges in intercourse without precautions, not after a little individual has been conceived.

Also write to Mr. John Eakins, Mrs. Elinor Caplan and Mr. David Peterson at Queen's Park, Toronto, Ontario, stating that you are opposed to the use of your tax and OHIP dollars being used for any abortions whatsoever, whether it be in hospital or free standing clinics.

Each individual can make a difference. Nothing is hopeless until we lie down and die.

Charged with fraud

A 38-year-old Kinmount area woman has been charged with fraud and theft under \$1,000 when a cheque for a television bounced last week.

Judy Bacon was arrested by Minden OPP as a

result of an investigation involving a cheque being returned "account closed", police report.

In addition to these charges, police say Bacon is awaiting trial on four other counts of false

pretences. She was being held in custody for a bail hearing on February 8 in Lindsay.

OPP Constable Dave MacMartin is the investigating officer.

Attention Property Owners and Tenants
in the Townships of Cardiff and Bicroft

WANT TO APPEAL YOUR ASSESSMENT?

You still have time to appeal your 1987 assessment if you feel your home or business property has been improperly assessed. Your assessment is important because the amount of property tax you will pay in 1988 depends on it. The assessed value of your property is multiplied by the municipal and school mill rates to determine your property taxes.

Notices of Property Valuation were mailed to all property owners and tenants in the municipality. Open house information sessions were held in your area to give you the opportunity to ask questions and correct any errors.

The Assessment Roll was delivered to your municipality on February 16, 1988 and will be used to calculate the taxes you will pay in 1988. You can review the Roll at your municipal office during regular business hours. If you believe your property has been improperly assessed and you have not yet registered an appeal, you still have until March 8, 1988 to mail or deliver your appeal to the Assessment Review Board. **And remember, even if you did not receive a Notice of Property Valuation, you still have the right to appeal.**

Appeal deadline — March 8, 1988

The Assessment Review Board is an independent tribunal under the jurisdiction of the Ontario Ministry of the Attorney General. It is intended to provide you with an additional opportunity to have your assessment reviewed if, in your opinion, it is not fair and equitable with the assessment of similar properties in your area. The Review Board is more informal and relaxed than a regular court of law. You may present your own case, retain a lawyer, or ask a relative or friend to speak as your agent.

To help you in filing your appeal, Notice of Appeal forms are available from the Assessment Review Board, your Regional Assessment Office, or your municipal office. You can also use the reverse side of a Notice of Property Valuation, or write a letter giving the property address and roll number along with your reasons for appealing. Appeals should be forwarded to the Regional Registrar of the Assessment Review Board at the address shown below.

In those parts of Ontario designated for French Language Services, you can appear before a bilingual (English/French) Appeal Board. Please check the space provided on your appeal form if you wish to use this service.

Bantams win third straight

The Minden Bantams earned their third straight playoff win on February 6 with a strong finish to edge Manvers 7 - 5.

Minden's Kyle Hewitt scored twice in the final period to break the 5 - 5 tie and boost the team to the win on their home ice. This win avenges an earlier 6 - 2 loss to the Manvers club in playoff action.

Wyatt Nesbitt was the big points earner in this game, picking up four points with his two goals and two assists. Hewitt was not far behind with his two goals and one assist.

Robie Ackerblade assisted on two of the Minden goals while single goals were notched by Hunter Obee, Jason Scarlett and Rob Wilbee. Kent Taylor and Jaime Dollo each picked up an assist in this game.

The team's next home game is slated for February 27 at 7 p.m.

Winning streak continues

The Minden Bantams continued their winning ways last Wednesday in Bobcaygeon as they skated to a strong 3 - 2 victory in playoff action.

Wednesday's win avenges an earlier playoff loss to Bobcaygeon, and Coach Jerry Campbell says the team is reaching its peak as the playoffs build.

Rob Ackerblade opened the scoring with the lone goal of the first period. Mike Muli and Kyle Hewitt picked up assists on this marker.

Bobcaygeon came back in the second with two consecutive goals to steal the lead. However, Kent Taylor soon evened the count. Kyle Hewitt notched the game winner with two minutes left in the second frame. Assists came from Kent Taylor and Rob Ackerblade.

The Bantams were to have played in Manvers last night. Their next home game is February 27 against Bobcaygeon.

100 skate in meet

submitted

The Minden Skating Club hosted their first Meet to Skate Competition and it was a great success with well over 100 skaters competing.

These skaters were from Uxbridge, Little Britain,

Norwood, Port Perry, Port Carling, Fenelon Falls, Bowmanville, Orono, Lindsay, Peterborough, Ops, Lakefield, Beaverton, Bancroft, Thornhill, Havelock, Richmond Hill, Port Hope, Haliburton and Minden.

The Host club was well represented and the skaters did very well in their events.

In the Pre-Preliminary Ladies, Marita Schrader placed fifth, Veronica Anderson placed seventh, Kristi Barkwell placed fourth, Lisa Ranson sixth

and Andrea Pawluch placed first. In the final Andrea placed fifth.

In the Preliminary Compulsory Moves, Andrea Pawluch placed sixth and Meaghan Obee placed eighth.

In the Preliminary Dance, Simon and Jody

Reid placed third.

In the Jr. Bronze "A" Ladies there were three flights. The results of the first flight was Cori Barkwell placing first. In the second flight Danielle LaRue placed second and Jana Obee placed third. In the third flight Karen Elstone from Haliburton placed second. In the Finals Danielle LaRue was first, Cori Barkwell fourth and Karen Elstone sixth.

In the Junior Bronze Compulsory Moves, Minden had four skaters competing. The finals were Jana Obee first, Tammy Pritchard second, Cori Barkwell fourth and Sara Lee Henderson was fifth.

The Preliminary "A" Ladies had Janene Garbutt placing fourth in her flight, Meaghan Obee placed seventh and Jamie Kent placed first in her flight. In the final of this event Jamie placed fourth.

In the Junior Bronze "B" Ladies Freeskate Tammy Pritchard placed sixth.

The final event of the day was the Open Compulsory Moves Freeskate and it was won by Jill Thomson of Little Britain., Lisa Carr of Minden was second and Diana Edmondson of Lindsay was third.

The Committee would like to say that this Competition would not have been a great success without the help of all of the workers and sponsors that they had.

The first Meet to Skate competition sponsored by the Minden Figure Skating Club was a huge success last weekend with about 100 skaters taking part. Minden's skaters performed well against the strong competition at this meet., Taking part in the competition were (front) Kristi Barkwell, Jody Reid, Janene Garbutt, (back) Cori Barkwell, Marita Schrader, Jamie Kent, Lisa Ranson, Simone Reid, Veronica Anderson, Andrea Pawluch and Meaghan Obee.

SERVING THE COMMUNITY'S GREATEST NEED

PROCLAMATION

WHEREAS The Association of Kinsmen Clubs has been a vibrant, responsible, all-Canadian association of service clubs devoted to the concept of serving its communities throughout Canada since its founding in Hamilton, Ontario on February 20, 1920.

AND WHEREAS The Association of Kinsmen Clubs has been dedicated to meeting the needs of our community and has diligently sought the development and completion of timely, relevant programs to meet the needs and challenges of our constantly changing society.

THEREFORE, I, S. G. Nesbitt, Reeve of the Townships of Anson, Hindon and Minden, do hereby declare February 20, 1988

KINSMEN DAY

and the week of February 15 - 21, 1988

KINSMEN WEEK

and urge all the citizens to salute their local Kinsmen club.

The Minden Tyke hockey team will be sporting brand new sweaters thanks to the contribution of Malcolm Boyes and Gull River Home Care. The players donned their new sweaters for the first time last week as they took to the ice for some practice. Bryan Recoskie and Grant Shaw coach the tyke squad. Team members are Ryan White, Ashley Pettes, Paul Daniels, Bryan Recoskie, Cori McGee, Brock Ladurantaye, Trevor Cole, Philip Neville, Gary Kernohan, Jason Scott, Adam Bathe, Colin McKenzie and Michael Hamilton. Absent from this picture are Joshua Shaw, Jason Horsley, and Diego Rico.

Dogs can kill deer MNR warns owners

The Ministry of Natural Resources, Minden District, would like to stress the importance of dog owners maintaining control of their pets. Six charges have been laid recently against dog owners for allowing their pets to run at large and chase deer. One deer was destroyed as a result of injuries inflicted by dogs.

Conditions at this time of the year result in a crust being formed on the snow

which restricts deer movements but supports and allows dogs to travel at will.

Domestic dogs which often travel in groups take this opportunity to roam and participate in the thrill of a deer chase which often results in the death of the deer through injury or exhaustion.

Deer are in their best physical condition before they enter winter as a result of unlimited food supplies. During the winter months the food resource is reduced, resulting in a gradual decline in the animal's condition.

At this time of the winter, the deer is the most vulnerable to harassment. As well as receiving leg injuries from crusting snow conditions, a prolonged chase results in high energy consumption for deer already under the stress of winter. This can result in the death of the deer even without being attacked. The females are extremely sensitive to unnecessary exertion and the added stress of pursuit can lead to aborted fawns.

During this critical period for deer, the Ministry of Natural Resources asks the cooperation of all dog

owners in protecting the deer herds by not allowing their pets to roam unattended. The Game and Fish Act allows a Conservation Officer to destroy any dog found running deer and provides a penalty to a maximum of five thousand dollars for the owner of a dog found running at large during the closed season for deer or chasing deer.

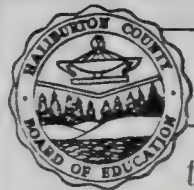

The public can also assist by reporting any dogs observed chasing deer by contacting the Minden District Office of the Ministry of Natural Resources at 286-1521.

Tourney trophy winners

Bradford's impressive performance in the novice hockey tournament held in conjunction with the Minden Winter Carnival earned them the championship trophy, which was sponsored by the Minden Kinsmen Club.

Fenelon Falls won the Coulter Memorial Trophy, sponsored by Gala Stamp, for winning the consolation championship.

The Minden Texaco trophy was awarded to Woodville, the runners up on the championship side of the tournament. The Westside Jug City trophy was won by the Bobcaygeon team, which was the runner up on the consolation side.

Road paving only answer

Municipalities have to start pressuring the provincial government for funding to upgrade unpaved roads now that road oil is no longer available. Stanhope Township Councillor Jock Mavor said at last Wednesday's meeting.

The only viable alternative to road oil as a dust control is paving, and that will carry a tremendous price tag for many rural municipalities. "We have to start pressing the government for road upgrading," said Mavor. "It's the only solution."

Council was considering its priorities to be included in its application for supplementary roads funding for 1988 when Mavor raised the issue. In view of the current situation regarding the use of road oil as a dust suppressant, the long-range solution is to have all roads hard surfaced, he said.

Faced with 60 charges under the Environmental Protection Act, Can Am Oil Service, the main supplier of road oil, has pulled out of the business.

(more on page 15)

Water may be contaminated

People using Dover Springs for their drinking water are warned that the water may not be fit for consumption.

At the February 8 meeting of Dysart et al Townships Council, it was decided that a sign should be erected at the spring near Haliburton Village advising users of the results of the latest test samples

taken.

Frequent samples of the spring water have been tested and the results have been erratic. Occasionally they fail to meet ministry standards for drinking water.

Council decided that, in addition to a sign, the latest test results should also be posted.

Banks' store given Heritage designation

Banks' General Store in Haliburton Village will continue to be an attraction to visitors and residents now that it has received official designation as a Heritage building.

Just one week before the start of Heritage week in Ontario begins, Haliburton Village's oldest store was designated as a heritage building by Dysart et al Townships Council.

At the February 8 council meeting, the municipality gave three readings to a bylaw which designates Banks' General Store as a building of historical and architectural significance.

This formal designation ensures that any renovations to the store will conform with Ontario Heritage Foundation guidelines.

Banks' General Store has been one of the main historical attractions in Haliburton Village over the past few years, and is one of the highlights of the heritage walks.

The designation by council ensures that the unique styling of the building will remain intact for years to come.

High, dry and dusty

(from page 14)

This leaves municipalities high, dry and dusty until an affordable alternative can be found.

Stanhope Township has about 20 miles of gravel roads, and few are in condition to be paved, said Road Superintendent Harold Barjarow. To pave the roads before they are brought up to condition

would just be a waste of money, he added.

Since the cost of up-grading and resurfacing will be "tremendous", Councillor Jim Harrison suggested a gradual approach. He said the township should budget for about a mile of new paving each year to start making some headway toward a solution.

The Ministry of the Environment has com-

missioned two studies into the use of oil on roads, but no conclusions have yet been drawn. A letter from Can Am indicates that most waste oils are unsuitable for road use because they can lead to environmental impairment. Can Am also cautions that the use of road oils can result in charges being laid against the municipality.

The chances of a municipality receiving supple-

mentary funding to pave gravel roads is remote, council heard.

Priorities

Stanhope Council's priorities for the roads department this year are the purchase of a new backhoe and the reconstruction of St. Peter's Road. The township will be applying for a subsidy of \$100,000 for this purpose.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

IN THE MATTER OF THE Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up and close to
vehicular traffic a presently travelled Town-
ship Road known as Orde Street.

NOTICE IS HEREBY GIVEN pursuant to
Section 301 (1) (a) of the Municipal Act, R.S.O.
1980, as amended, that the Council of the
Corporation of the Townships of Anson,
Hindon and Minden proposes to consider and
if deemed advisable, to pass at its regular
meeting to be held in the Municipal Council
Chambers on Milne Street, Minden, Ontario,
on March 10, 1988, at the hour of 10:00 a.m., a
By-law to stop up and close to vehicular
traffic, pursuant to Section 298 (10), The
Municipal Act, R.S.O. 1980, the presently
travelled Township Road more particularly
described as follows:

Part of the Original Road Allowance along the
North shore of the Gull River, flowing through
Lot 3, Concession A, Township of Anson,
County of Haliburton, being Part 1 on Plan
19R-3992, being the entrance of Orde Street on
Bobcaygeon Road at the Northwest corner of
Sunnybrook Bridge.

AND FURTHER TAKE NOTICE that before
passing the said By-law at the meeting to be
held at the time and place above-mentioned,
the Council shall then and there hear in person
or by his or her counsel, solicitor or agent, any
person who claims that his or her land will be
prejudicially affected by the said By-law and
who applies to be heard.

DATED at the Township of Minden, this 29th
day of January, 1988.

(Mrs.) Mary Mysyk, A.M.C.T.,
Clerk-Treasurer,
P.O. Box 98, Milne Street,
Minden, Ontario K0M 2K0

Workers rewarded

(from page 2)

projects.

Ed Pettinger

Ed Pettinger received the medal for volunteer work for his contributions and dedication, serving Lutterworth, Anson, Hindon and Minden Townships and the county. A sampling of his involvements in the community over the years is as follows: Former chairman of the Minden Winter Carnival; Secretary Treasurer of the County Fair Board; President of

the Minden Curling Club; Chairman of the Meals on Wheels program; one of the original directors of the Lawn Bowling Club; Director on the County Home Support Services; President of the Minden Seniors Curling Club; Chairman of the Lutterworth Committee of Adjustment; Director of the Haliburton County Development Corporation; member of the Steering Committee on the District Health Council for the Haliburton and Minden Hospitals; Co-ordinator of the Haliburton Hospital Expansion Fund drive for the Minden area; Canvasser for the CNIB.

a councillor and a reeve for a number of years.

Al Stott

Al Stott was awarded the medal for sports official for the area. For two years, he was president of the Seniors Curling Club, devoting much time to the promotion of bonspiels and always encouraging good sportsmanship. He has been the recipient of merit badges for long service to the Red Cross and was the person who initiated the County-wide homemaker service. He has helped organize babysitting courses, and for years was in charge of emergency services for the municipality. Stott has also served a number of years on the township council.

Bob Beeney

Bob Beeney won the Celebration '88 medal for his coaching. He has devoted many years to coaching amateur hockey teams, encouraging fair play and leaving lasting impressions on the lives of young players. He was also involved in the establishment of the Staunworth Court seniors apartments and was on Lutterworth Township Council as both

Prentice-Berry Ltd.

Paul Prentice and Steve Berry accepted the Celebration '88 sponsorship medal. Through their business, they have been supporters of amateur sports, with a background of both monetary and promotional development throughout Haliburton County.

News from Staunworth

Well, dear folks, it is difficult not to talk about the weather: though it is said that '90 per cent of folks could not start a conversation if it didn't change once in a while: - "Have a good day!"

Our January pot luck supper was the usual tasty treat. The food consisted of roast beef, vegetables, gravy, and salads, followed by birthday cake, this all organized by our conveners, Melissa and Holly, (in the presence of Janet, who is confined to her apartment with a foot problem). This tasty meal was followed by readings by Jean Marsh. In those she pointed out that as we travel afar - watch for signs: the letters W.C. could point us to a Wayne Chapel. Four tables of nachre were then enjoyed.

For those who had a special day in January, May each Birthday hereafter be happier than you've had before. - To Holly Cooper, Dolly Ashford, Siiri Mielonen, Fern Donnelly, Henry Howe, Ernie Anderson, Frank Ferris and George Davidson.

He who cannot forgive others destroys the bridge over which he himself must pass.

Many people enjoyed the Dog Sled Derby and congratulations to those who worked hard to make such a project so successful. It made me feel very proud of Minden as I heard this Derby broadcast by Tim Sheehan of CFTO; by Bill Bramah of Global TV. Mr. Bramah seemed so happy as he claimed it a real 'howling' success, and being right here in the midst,

suggested that folks with poodles just might take part another year. (maybe); and Steve Kirkland of Ch. 3, Barrie spoke encouragingly. I am looking forward to your Motorcycle Derby in summer. Sorry the weather was questionable for the Winter Carnival, but it still was a success.

During the Winter Carnival, Jake and his wife stopped at a restaurant for a midday meal. The waiter stopped at their table and suggested they try 'our delicious chicken smothered in gravy.'

Jake was somewhat hungry and replied, "Don't bother telling me how you killed it, just BRING it."

Our Fire Chief, Don Booth, presented a film dealing with the possibilities of accidents caused by fires, and smoke inhalation due to fires, in our apartments. He explained many facets of prevention, as well as answer many questions, such as - how to make the deaf aware of danger, since they cannot hear the alarms ring. It was a very helpful and interesting evening. Thank you, Don.

So sorry to hear of the death of Mr. Fred Ballard. Mr. Ballard entertained us many evenings playing our organ, and piano, in sing-alongs. Our sincere condolences go out to Mrs. Ballard and family.

At time of writing, Vera Howe and George Davidson are still in the hospitals, Peterborough Civic and Wellesley in Toronto, respectively. We wish them all the best life can offer. May God bless

and Heather Donaldson

Back again. Slowly, very slowly, the wheels are starting to crank back to their normal speed. Exams (at least most of them) have now been handed back and 'getting into the groove' of term two routine is proving to be quite difficult - to say the least.

Driver Education classes started their spring session last Tuesday and Wednesday and yet another group of young drivers shall be off the streets shortly.

Yearbooks for the 1987-88 school year go on sale today and ends Thursday at the sale price of \$15.00. The theme for this year's

book is 'Burning Bright Red' and the almost super-human editor who puts this all together is Lindsey Tashlin.

Our band, under the guidance of Mr. Vaughan, has decided on the locale of the next band exchange. It is to be held March 23-26 and Niagara Falls is the destination. The band's counterparts from Niagara Falls will be coming to Hal High in May.

Tomorrow Co-Ed Scoopball begins in intramurals. The Kawartha Midget Girls Volleyball qualifying competitions shall be tomorrow as well. The Drama club is currently very busy learn-

ing rehearsing lines, and organizing what will become the production of 'Inside Lester' by Fred Carmichael. Rehearsals are going on throughout February and March and the proposed show times are on the evenings of April 8 and 9.

Report Cards we are told are to be issued this week - can't wait.

Carnival week is just around the corner with Carnival Day slotted for the 24th, and other activities scheduled around that day.

We hope everyone had a great time at the Blue Rodeo concert and a great Valentine's Day.

Until Next Week.

Information will be given regarding senior course selection and post-secondary opportunities.

A panel of post-secondary representatives will provide information and answer questions concerning universities, colleges, apprenticeships, the Canadian Armed Forces, and current employment trends.

HIGH SCHOOL CAFETERIA
MONDAY, FEBRUARY 29, 1988 at 7:30 p.m.

L.A. Hemphill, Principal

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Q: Which travels faster heat or cold?
A: Heat - you can catch a cold.

Q: What part of a fish is like the end of a book?
A: Its fin-is.

HOBBIES 'N STUFF 286-4400 Minden

around the county town

by Jeanne Sears. Call 286-1538

I was up at the arena last Sunday to see "Meet to Skate". It was interesting to see our skaters competing before judges in their own program to music. There was a good crowd but I thought there could have been more. An excellent, well-organized affair and all concerned should be pleased with this day and congrats to both them and the skaters. This was an invitational competition with skaters present from Bancroft, Beaverton, Bowmanville, Fenelon Falls, Haliburton, Havelock, Lakefield, Lindsay, Little Britain, Minden, Norwood, Ops, Orono, Port Carling, Port Perry, Richmond Hill, Thornhill and Uxbridge. March 27 is the Minden club's skating carnival, so keep that in mind.

I was told that you may phone our dog catcher if you see a dog running on your property, some of these dogs may get away in the bush and chase deer.

Big Bill Hayes from Toronto enjoyed a visit with Anne and Ralph Linstead.

Janice and Jack Shaw and Florence Robinson visited last Sunday with Grace and Ern Voycey of Gamebridge.

Pat and John Bath are really tanned after their holiday in Colombia.

Get well wishes to these people - Ken McElwain, Leslie Prentice, Joe Warburton, Sandy Stewart, Lila Warburton and Freda Stacey who may still be under the weather.

At the Tuesday night euchre games in Gelert Hall, winners included, most lone hands Bob Vick with others Ruth Kellett, Joyce Schellenberg, Paul Hilyer and Bessie Burk with the next games due to be played February 23.

Sharon Poldas of Blairhampton reports seeing four moose in her yard this past week. According to Sharon the four moose wandered out into her yard, nibbling at vegetation and generally being curious. They were there for about 30 minutes and didn't even run away when she went out on the deck to get a closer look. Sharon's only regret was that she didn't have any film for her camera and was unable to record the visit.

Nellie Finlay of Lindsay had a grand visit with her cousin Joyce Hewitt.

Craig, Lynn and Jordan Morrison of Toronto spent the weekend with his mother, Alice Morrison on the occasion of her birthday.

Mr. and Mrs. Bill Scott have left for Calgary where he will be officiating at some of the events; perhaps we will see him as we watch the games on TV.

Sincere sympathy goes to the families and friends of the following who passed away recently - Mrs. Maurice Winterflood Frank Taylor, Gladys Johnston, Roy McPhail, Patrick Johnson and Melissa Wheeler.

Winners in the Lions Club hockey pool were Rick Dunsford, Norm Graham, Jack Hewson, Bobby Flood, Bill Payne and Grant Crofts.

Beryl and Goldie Henderson from Rose-neath visited relatives and friends over the weekend.

Pearl and Arnold Cowen spent the weekend with Mr. and Mrs. Al Clement and boys in Toronto.

My substitute in writing this column for several weeks will be Jean Lacey so call her at my number with your items, especially on Wednesday evenings.

Wednesday February 17 will be a busy one, the Museum meeting in the morning at the Library Cultural Centre, that afternoon at 2 p.m. is the Women's Institute meeting

RIDE program working

Ontario Provincial Police officers checked 369,403 drivers in the Christmas / New Year anti-impaired driving campaign and charged a total of 1,683 motorists with alcohol-related Criminal Code of Canada driving offences in RIDE checks and general patrols.

In comparison to last year, more vehicles were stopped in the recent seasonal RIDE campaign, yet fewer impaired drivers were found behind the wheel.

During the 1986/87 OPP Christmas / New Year program police checked 357,167 drivers and charged 1,812 of them with alcohol-related driving offences in RIDE checks and general patrols.

at the same location and that evening a special meeting of Minden Legion Branch 636 at the Community Centre at 7:30 p.m. with members and guests welcome. Also that night, Archie Stouffer Home and School Association are having a general meeting at 8 p.m. in the school library with the topic being "Addition to our school." All parents are invited to attend this discussion. Tuesday, February 16 is the Pancake Supper at St. Paul's Anglican Church after 5 p.m. Rotary Chicken Bingo is planned for February 23 and February 20 in West Guilford there will be a dance - call 754-2168 for more information.

The winners at St. Paul's card party on Thursday included most lone hands Nora Briggs while Pearl Cowan and Vera Ward

were high and low lady, the high man was Orval Francis and low man was Marg McAfee.

Club 35 card party winners last Monday were: most lone hands - Mary Stevenson (Alex says he taught her all she

Monday, February 15, 1988

knows of the game), the high lady was Linda Cipolla while high man was Jim Bradbury. The door prize went to Linda Cipolla and the other winners included Ken Wallace, Eileen Hutchinson and the master himself, Alex Stevenson!

Sheamus Donnelly is chased down the ice as he heads for the Lindsay net during the Novice A tournament Saturday at the Minden arena. Sheamus managed to elude those on his tail and the Lindsay netminder to score the third Minden goal of the game. While the goal helped the hometown team's effort, Lindsay managed an extra marker to take the tournament opener 4-3. Minden also lost its second game of the round robin event, losing to Gravenhurst 3-2. Team officials described the tournament as evenly-matched with most of the scores being extremely close. Fenelon Falls took the day's championship, defeating Gravenhurst in the final match 2-0. In the consolation round, Lindsay defeated Sunderland 5-1. The scores in the elimination round were: Lindsay 4--Minden 3; Sunderland 2--Fenelon Falls 1; Gravenhurst 4--Lindsay 3; Fenelon Falls 7--Little Britain 2; Gravenhurst 3--Minden 2; Little Britain 3--Sunderland 1.

Yamafest gets grant

A provincial Destination East grant of \$31,028 has been secured for the Yamafest '88 snowmobile festival which is being held in Haliburton Village this weekend. John Eakins, MPP for Victoria - Haliburton, announced the approval of the grant recently on behalf of the Minister of Tourism and Recreation.

Yamafest includes a 14-event snowmobile rodeo, scenic tours, safaris, amateur and professional snowmobile races, dances, bingo, casino, a children's village and arts and crafts. It is expected that from 3,000 to 5,000 people will be coming to the area for this huge event which begins this Friday.

Thinking of retiring close to town?

I have just the place for you. This 3 bedroom home is only two miles from Minden on a very neat and tidy lot that is easy to maintain. That's not all!

It has a finished rec room with a bar and very pretty untouched French Provincial living room. Imagine retiring here.

Call Vince for an appointment at 457-2414.

"WHERE THE ACTION IS"

HHSS skiers

(from page 1)

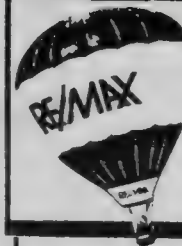

Tashlin 15th, Laura Cross 21st and Kathleen Clarke 23rd. Chantal Bellefleur and Ann-Marie Muli also finished well for HHSS.

Muli ran into equipment problems midway through the course when one of her bindings broke and put in a "gutsy performance" to finish the race, said Fitzgerald.

Matt Creelman finished in 14th spot in the 10 km

Senior Boys event to lead the HHSS team. Paul Robinson finished 25th while Sheldon Perry was 34th.

Hosting this quality race was good experience for the organizers of the Ontario championships. More than 800 racers will be competing here on February 22 and 23 and more than 100 students, teachers and volunteers will be helping in the organization.

Above
the
Crowd!

by Virginia Muenzel

Many Guild members may have noticed that their Newsletters are a bit late this month. Due to no fault of our hard working Gallery staff, I assure you.

It seems that while we were all busy with our Christmas holidays, the Canadian Postal System changed its rules. Unfortunately, when staff went to mail the Newsletters, they were told it no longer conformed to the new

accepted standard size. Consequently, before they could be mailed, the cost of paying double postage had to be heard by the Board of Directors.

Since then, Wendy Bate-man, our Gallery chairperson, along with Elene and Holly, the Gallery staff, have spent some time re-

thinking and redesigning the Newsletter to conform with the post office's desires. The results of their work were approved by the board, and will be instituted immediately.

In the future, there will be only four full Newsletters a year, which will be augmented by a few one or two page newflashes as

the need arises. They will use a larger size of paper which can accommodate all the news on fewer pages. You will also see a pleasant change in the front cover.

If the Gallery looks a little strange this week, it is because we are having some alterations done to

increase the efficiency of the heating system. And hopefully, thereafter, the Gallery staff will be wearing fewer sweaters and be able to remove their boots.

Elene is also gathering a rather strange assortment of paraphernalia to be used by the local school children during several workshops

connected with the "Words and Images" exhibit. The youngsters will be making bookcovers of 'found objects' that relate to the stories inside. There have been many children's workshops this year. When one peeks in, it's hard to tell just who (the children, or the teachers) is having the most fun.

Defective detector

by Doreen Hawman

Dave Goodyear, fire protection technologist at the Ontario Fire Marshal's office has found a brand-name smoke detector to be unreliable. The finding was based on the investigation of two fatal fires.

The Centurion PS115 - manufactured between 1975 - 1977 by Tellus Instruments Ltd., has been shown to have a high rate of deterioration, although not directly ruled as a contributing factor in the two fires but the investigation is still continuing.

You can recognize the detector in question by the medallion-like logo on the cover, which bears the brand name.

Bill Barrett of the Underwriters' Laboratories of Canada, urges anyone owning this model to replace it immediately.

If you need help with an application or have a question that needs answering, contact the Haliburton County Information Centre located in the Drag River Municipal Building, Maple Ave., Haliburton. The centre is open Monday to Friday 10 a.m. to 4 p.m. or call 457-2733.

If you are in the Minden area, the centre situated in the Municipal Building, Milne St., is open every Tuesday 10 a.m. to 4 p.m. or call 286-4100.

To receive help completing your Tax Return, please call for an appointment.

AT REST

JOHNSON

Patrick Bruce (Pat)

- suddenly on Gull Lake on Monday, February 8, 1988 in his 23rd year. Beloved son of Gerry and Diana. Dear twin brother of Kevin of Maple Lake and brother of Michele of Minden and Peggy of Tokyo, Japan. Fondly remembered by many relatives and friends. Rested at the Gordon A. Monk Funeral Home, Minden from 7:00 - 9:30 p.m. Thursday and from 2:00 - 4:00 p.m. and 7:00 - 9:30 p.m. Friday. Funeral Service in the chapel on Saturday, February 13, at 1:30 p.m. Spring interment St. Peter's Cemetery, Maple Lake. Memorial donations to the Canadian Cancer Society would be appreciated by the family

TAYLOR

Frank H.

- of Minden, suddenly on Wednesday, February 10, 1988. Beloved husband of Iris, dear father of Tom and his wife Debbie of Toronto, and Jay and her husband John of Newmarket, loving Poppa of Katie, Sarah, Mathew, Adam and Amy. In lieu of flowers donation of your choice may be made. A memorial service was held in Toronto.

CARD OF THANKS

I wish to thank all those who sent cards and fruit and visited and phoned while I was in hospital. Also the nurses, Dr. Asbell and Rhodes for their attention when needed.

Harold Deacon

The Minden Monarch Tyke Hockey Club would like to express our many thanks to the Valu-mart (Minden), IGA (Minden) and Kawartha Dairy for the generous donations of food for the Tyke Hockey Tournament and many thanks to the Referees for their generosity of time. Also, to the many people who helped in various ways.

To all our friends in the town of Minden for showing Melissa Wheeler a small Ontario town's friendship during her short stay, and for everyone's concern, compassion and deep sympathy they showed by bringing food, cards, and making phone calls to try and ease our grief at her loss. And for the excellent co-operation and assistance of everyone in the OPP, and Gordon Monk Funeral Home for the speedy process of returning Melissa to her grieving family in Florida. Their pain was relieved knowing that Melissa was in your caring hands. Bruce & Nancy Porter & Melissa's family
